## Adopt-a-pig ~ Embroidered clothing...

At Adopt-a-Pig we are immensely proud of what we do. We also feel that our customers are proud to be part of the scheme. This is why in 2007 we launched the exclusive Yorkshire Meats Porcine Wear Series. All of our clothes are embroidered in Yorkshire and we only stock garments which have been made to the highest environmental and ethical standards in line with the International Labour Organisation. Essentially, our unique line of clothes are ethical, comfortable and oh so stylish!

All of the Yorkshire Meats wear comes with the Adopt-a-Pig crest. We can embroider it anywhere on the garment, and can also have your name embroidered on if you so wish.
